Application Guidelines for Al Ain International School Academic year 2011/2012 only

- Please complete the application form and include the latest copy of your child's school report and submit them:
- by scanning the application forms and documentation and emailing them to Registrar@alaininternational.sch.ae.
 - by hand at the School, Al Salam Street, Sarooj, Al Ain

The Principal will review each file to determine if an assessment is required. Please allow time for this process.

We would invite you to apply regardless of availability as there is no cost associated with submitting an application form and the situation can change quickly. It is better to submit an application in the event of this happening; we will have the file to hand if and when a place becomes available.

Allocation of Places

Please discuss with our Registrar Registrar@alaininternational.sch.ae regarding offers of places, fee structure, commencement/withdrawal implications, documentation, review of Transfer Certificates, Attestation of documents etc.

Priority for places will be:

1. Aldar direct employees (must submit Aldar ID number) and Mubadala
2. Everyone else in date and time order

Please note your application is for Al Ain International School only, should you wish to apply to Al Yasmina School Primary and Secondary, Pearl Primary School, Al Muna Primary School, Al Mushrif Primary School or Al Bateen Secondary School, you will need to contact that school directly.

Documents to be submitted with the initial application form Al Ain International School:

- Copy of latest school report – **MANDATORY**. If the latest school report is not included with your application, this will result in a delay in your child's file being considered. If you are seeking a place in FS1, FS2 please supply a pre-school / nursery report if available.

Documents to be submitted once an offer of a place has been made to Al Ain International School:

- 2 Copies of Sponsor's passport and visa (this is the person in the family who is sponsoring the rest of the family)
If the Sponsor does not have a residency visa, please provide a letter from the sponsor's company advising that the visa is in the process and indicate when it will be completed. As a temporary measure the school will require a photocopy of the passport and entry stamp. The school will require to see sight and take a photocopy of the visa as soon as it becomes available, usually within 4 weeks from applying. Failure to produce a valid visa will mean that we cannot register your child with ADEC which will present further problems and may result in your child being excluded from our school.
- 2 Copies of Child's passport with visa
- 2 Copies of Mother's passport and visa
- 2 Copies of Birth Certificate (from the country which the child was born) – We will assume you will have this document attested by all authorities before school commencement.
- 5 Passport size photographs
- 2 Copies of Family book – if UAE National
- Copy of latest 2 school reports – **MANDATORY**. If the latest 2 school reports are not included with your application, it will not be processed. If your child is seeking a place in FS1, FS2 please supply a pre-school / nursery report which you may need to request from your child's current nursery.
- Transfer Certificate as per the prescribed template detailed below.

Pupils attending schools within the UAE will be given a transfer certificate at the end of your child's time at their current school - this document must support the Year group your child is being registered for, please review the template. Pupils coming from overseas will also be required to provide an attested Transfer Letter following the same template. While we appreciate that this document is not recognized in overseas schools, it is an important document here in the UAE. Without it your child cannot be registered with The Ministry of Education, which in itself, will present further problems. Please ensure you have the Birth certificates and Transfer letters attested by the correct embassies etc as outlined in our application form. All documents not in English or Arabic, must be translated by an Abu Dhabi Legal Translation company, your embassy will be able to assist.

Please note that all **original** documents, e.g. passports of both parents and all children applying, with visas (if you have them), original birth certificates of all children, vaccination papers and original school reports will require to be seen either at submission or if overseas when you arrive in Abu Dhabi. Failure to provide the originals may jeopardize your child's application. Every child attending Aldar Academies will be registered at ADEZ, to ensure their registration is approved, the school requires sight of the said documents. Once we have seen the original documents, they will be handed back to you immediately.

Confirmation of Place

The Registrar will email the main contact from the application form a confirmation of place to offer. This offer letter will state the due date of the Registration and Book fee (AED500), and any additional requirements or advice. A confirmation of place will be subject to only that child on the offer letter.

Assessments

Should your child be required to sit an assessment, the application will be put on hold, until after the assessment, to ensure we place your child into the correct year group as per ADEC requirements. Your child must pass the assessment and then be approved by the Principal before an offer is made. Therefore we encourage you to attend the date and time as per the invitation. Assessments are consistent across Aldar Academy Schools and the outcome of an assessment at one school will be honoured by all Aldar Academy Schools. Should your child not pass an assessment they cannot be reassessed for 6 months. There is no guarantee a place will be available on the 2nd assessment. Assessments may be conducted whilst you child is on the waitlist, there is no guarantee of placement should your child pass. There is no fee for assessments.

Delay with Commencement

Please advise the Registrar if the start date is delayed as the provisional allocation of year group and/or offer has been made on the information provided at the time. Changes to commencement dates could result in parents requiring authorisation from ADEC for their child to commence at our school. A delay could mean your child is put back a year group, especially if moving from the Southern Hemisphere (Australia, South Africa, New Zealand, and Singapore etc).

Unpaid Registration and Book Fees

As per our offer letter requesting payment of the Registration and Book Fee and return of the signed confirmation letter, should this fee not be paid by the required date, your child's place will be withdrawn. If you have a valid reason for non-payment or you need to check if the payment has been received please contact us.

Invoices

Failure to pay by the requested date will indicate you no longer require the placement, therefore another child will be offered your child's place.
