ALDAR ACADEMIES REGISTRATION PROCESS – VIA EMAIL

We are using a numbering system to register pupils. Please download our registration form from our Aldar website <http://aldaracademies.com/>

AL YASMINA is still taking registrations for all year groups, however the following year groups; Foundation Stage 1 (Nursery) and Foundation Stage 2 (Reception), Year 1 and Year 4 applications will be placed on our wait list due to the number received thus far.

THE PEARL SCHOOL has closed registrations for FOUNDATION 1, FOUNDATION 2, YEAR 1, YEAR 2 and YEAR 3. They will only take registrations for Year 4, Year 5 and Year 6.

Once the registrar has received **ALL** the documentation they will allocate you a registration number. Please note they will not allocate a number until they have received all the required documentation. The only information that may be outstanding from your documentation will be the **UAE visas and Transfer letters**.

- The transfer letter is given at the end of your child's time at the current school (please ensure it meets the requirements met on the application form. Please **ensure** you include the latest 2 school reports for each child, including children who are attending a Nursery. The Nursery reference should include how the child is participating (social interaction, counting ability etc).
- These school reports/references may alleviate the requirement for an assessment/play day if reports/references are included.

The Key Stage Coordinator will review each child's file and ascertain if an assessment / payday or further information is required.
